MAN TV

"THE ART OF YONKAGOR"

IN-HOUSE PRODUCTION

A film crew with a music producer and a TV journalist

André moraph will be visiting none other than

Yonatan Yudistira, better known as YonKaGor,

who will show the audience how he prepares and writes his tracks.

The audience can also expect... Uh... Hey man put the gun away

I can't see shit

The "THE ART OF YONKAGOR" program allows for Product Placement

Moscow, 8/10 Neglinnaya st., near CUM (ЦУМ)

MAN TV is an expert in the world of men's interests. We've moved past the age of needing to prove anything. We look at life through the lens of experience, and that clearly defines our reality today. Freedom from prejudice, confidence, and curiosity - we're united by the drive to win. We might have different worlds and aspirations, goals and tasks, but cool cars, travel, and women are the things that help us feel like real men.

THANK YOU FOR YOUR ATTENTION!
